MAKE ETHICAL DECISIONS

Equip yourself for
sport and life.

NEVER DOUBT YOUR GAME PLAN AGAIN.

By successfully completing the **Make Ethical Decisions** workshop you will be fully equipped to handle virtually any ethical situation with confidence and surety.

Make Ethical Decisions (MED) gives coaches the tools to confidently identify the ethical and moral implications of difficult situations that can arise in the world of team and individual sport.

A standardized decision-making module gives coaches a clear process to rely on, while shared knowledge from qualified Learning Facilitators (LFs) and experienced peers helps move the key principles out of the classroom and into the real world.

MED is one of the NCCP's cornerstone workshops, and leaves coaches with no doubt as to what to do when the going gets tough.

PLEASE NOTE

Upon completion of the **Make Ethical Decisions** workshop, you will also need to successfully complete the MED online evaluation available through coach.ca.

Make Ethical Decisions is offered in several different formats, including home study - depending on your province/territory. To find out how to take MED in your region, click on your province/territory below.

Why NCCP?

IT BEGINS HERE.

Coaches are mentors, motivators and leaders. Along with parents and teachers, coaches have a profound impact on the future of our children. It's a great responsibility, and Canada's two million coaches embrace it with passion and dedication.

The National Coaching Certification Program (NCCP) gives coaches the confidence to succeed. When you take an NCCP workshop, you'll not only gain sport-specific technical abilities, but also leadership and decision-making skills.

NCCP training will open doors to new opportunities in coaching and in life.
