NCCP ABLE BODIED

<p>Instructor Beginner For more information and how to register contact: Bruce Savage coaching@oaa-archery.on.ca</p>	<p>By presenting several mini-lessons and demonstrations, as well as observing interventions during shooting throughout the course of this workshop, coaches/instructors will be prepared to introduce archery to athletes in a variety of settings, including: clubs, camps, schools, and other organized activities.</p>
<p>Instructor Intermediate For more information and how to register contact: Bruce Savage coaching@oaa-archery.on.ca</p>	<p>Designed for coaches/instructors already involved in a club or organized archery program, this workshop will refine the basic archery skills and introduce a variety of more complex techniques for athletes who already have some experience and who exhibit a fair degree of proficiency in the sport. Customizing instructions based on the individual characteristics of each participant and managing big groups of athletes will also be covered.</p>
<p>Introduction to Competition For more information and how to register contact: Bruce Savage coaching@oaa-archery.on.ca</p>	<p>Tailored for coaches that wish to work with athletes of all ages who have an interest in advancing to competition, this workshop will introduce them to coach education as well as equipment and training issues. They will learn to plan a practice, analyze performance, prepare their athletes for competition, develop practice plans, and promote athlete development.</p>
<p>Competition Development For more information and how to register contact: Bruce Savage coaching@oaa-archery.on.ca</p>	<p>Requires a 1 year commitment and is delivered over two weekends held a minimum of 1 year apart. Most of these coaches will work with adolescents and young adults. Competition - Development coaches help athletes refine basic skills and tactics, teach more advanced skills, and prepare them for provincial or national level competitions. Athletes train several times a week throughout the year to improve performance. Although having a good time remains an important part of the athletes' sport experience, there is a greater emphasis on competition outcome. Event/discipline specialization and fitness also become important at this stage.</p>
