#### NCCP ABLE BODIED

|  |   |
|--|---|
| <b>Instructor</b><br>For more information and to Register contact: Jay Neill<br><a href="mailto:jneill@tennisontario.com">jneill@tennisontario.com</a> | Instructors are trained to introduce players to the game using Progressive tennis in group lessons (1.0 – 2.5 level) at tennis clubs, parks, community courts and in school gyms. This course develops the leadership skills of an enthusiastic instructor who organizes practice and play, makes tennis accessible and simple to learn, and promotes friendships that support the growth and retention of starter players.   |
| <b>Club Pro 1</b><br>For more information and to Register contact: Jay Neill<br><a href="mailto:jneill@tennisontario.com">jneill@tennisontario.com</a> | Trained with the skills required to become an entry level assistant pro at an indoor facility or community club leader. This course develops the skills and attributes required to deliver private and group lessons (1.0 – 3.5 level), design basic lesson content, run introductory programs (socials, round robins, and tournaments) and provide solid customer service to members.  |
| <b>Coach 2</b><br>For more information and to Register contact: Joan Leung<br><a href="mailto:jleung@tenniscanada.com">jleung@tenniscanada.com</a>     | This performance coaching course is suitable for committed coaches working with competitive oriented juniors up to an International U12 standard. Coach 2's are trained in the role of a performance coach working with juniors from 5 – 12 years of age to develop a strong foundation (technical, tactical, physical and psychological). Major course topics include: designing a training program respecting the requirements of the LTAD stage of the athlete; managing a junior development program; planning a practice; coaching during practice; coaching and providing support during competition; analyzing performance; and ethical coaching.                              |
| <b>Coach 3</b><br>For more information and to Register contact: Joan Leung<br><a href="mailto:jleung@tenniscanada.com">jleung@tenniscanada.com</a>     | This performance coaching course is suitable for committed coaches working towards developing top international Canadian players. Coach 3's are trained in the role of high performance coach working with national level juniors 12 – 18 years of age. Major course topics include: designing a training program respecting the requirements of the LTAD stage of the athlete; managing a junior development program; planning a practice; coaching during practice; coaching and providing support during competition; analyzing performance; and ethical coaching. Coach 3's are also trained in the role of a performance coaching leadership position within an academy or club. |

#### PROFESSIONAL DEVELOPMENT – WHEELCHAIR TENNIS

|  |   |
|--|---|
| <b>Wheelchair Instructor Workshop</b><br>For more information, please click <a href="#">here</a> . | The objective of the Tennis Canada Wheelchair Tennis Instructor Workshop is to provide tools to help organize dynamic, safe, fun, and active learning environments so introductory wheelchair players can learn and play. It provides a working knowledge of wheelchair specific technical instruction and equipment information. This workshop develops the leadership skills of an enthusiastic wheelchair tennis instructor who organizes practice and play, makes tennis accessible and simple to learn, and promotes friendships that support the growth and retention of starter players. |
